of the case. In all the School registers
and in his service register also, the
Officer gave his date of birth as
8th August 1904. He has sent two
applications for Mysore Civil Service ~~in~~
~~10th July 1927~~ ~~10th July 1927~~ in July 1927
In one, 8th Aug 04 is mentioned and in the
other 10th April 05. He applied to
the Rev. Comr. twice to change the date
from 8th Aug 04 to 10th April 05 on the
strength of the sworn declaration of his father
but this was not agreed to, as the R.C.
thought "there must have been some reason
for the original date to be entered in the
Service register", and the mere declaration
of the father is not sufficient reason to change it.

Subject:- Representation of Mr. Mohamed Ahmed, Acting Assistant
Commissioner for alteration of the date of his birth.

SIR,

I have the honour to forward herewith for the orders of Government a representation of Mr. K. Mohamed Ahmed, Amildar, now acting as Assistant Commissioner in charge of the Shimoga Sub Division received with Kadur Deputy Commissioner's letter No. N. Dis. on 67/33-34 dated 2nd July 1933 requesting that for reasons mentioned therein his date of birth which has been entered in the Service register as 8th August 1904 may be changed to 10th April 1905 and to state that in the earliest records i.e. School registers the date of birth of this Officer had been entered as 8th August 1904, and this date was entered in his Service Register also when he entered service. In September 1929, the Deputy Commissioner, Bangalore, forwarded an application from this Officer asking for a change in the date of birth on the strength of a sworn declaration by his father. The then Revenue Commissioner Mr. D' Souza, declined to change the date as he considered the evidence produced as not satisfactory. Mr. Mahomed Ahmed renewed his application to my predecessor, Mr. S. Hiriannaiya, and this Officer too declined to reopen the question which had already been decided. He has again urged his prayer.

2. I obtained the application of Mr. Mohamed Ahmed for the Mysore Civil Service Examination. It may be seen from them that one of the applications contains his date of birth as 8th August 1904 and the other as 10th April 1905. The Secretary, Mysore State Life

Letter No.D2.Dis.645/29-30 dated 18/21st October 1929, from the Revenue Commissioner in Mysore, to the Deputy Commissioner, Bangalore District.

Referring to your letter No.B3.1173/29-30 dated 10-9-29 forwarding an application of Mr.K.Mohamed Ahmed, regarding alteration in his date of birth, I have the honour to state that there must have been proper reason for the original date to be entered in the service register which must be correct in the absence of a satisfactory reason to the contrary. I am not prepared to ~~xxx~~ agree to its alteration simply because the applicant's father appears before a Magistrate and now declares some other date to be correct.

The Service register received with your letter is returned herewith.

With reference to his memo No.M5.C.164/31-32 dated 10-7-31, forwarding the application of Mr.K.Mohamed Ahmed.B.A., Amildar, Chellakere taluk, appealing against the orders of the previous

Revenue Commissioner (Mr. D'Souza) declining to accept the alteration of his date of birth as entered in the Service Register, has the honour to state that as the matter was considered twice and definite orders passed, the undersigned does not ~~XXXXXX~~ see any reason to re-open the question.

Mr. Mohamed Ahmed may be informed accordingly.

Letter No. D1.Dis. 439/32-33 dated 2-9-1932 from the Revenue Commissioner in Mysore, to the Secretary, State Life Insurance Committee.

With reference to your letter No. 9574 dated 14-11-31 re. the difference in the date of birth as entered in the Service Register and as accepted for Life Insurance of Mr. K. Mohamed Ahmed, Amildar, Chellakere taluk, I have the honour to state that in the earliest record i.e. the School registers, the date of birth of this Officer has been entered as 8-8-1904 and this was entered in his Service Register when he entered Service. As there must have been some proper reason for the original date, the alteration which was proposed merely on the basis of the Officer's father's declaration before ~~the~~ a Magistrate was not accepted by this Office in the absence of any other reliable evidence. The subsequent request of this Officer on this behalf was also rejected (vide copy of letter to D.C. Chitaldrug sent to you with No. D1.Dis. 570/31-32 dated 13-10-1932)

In view of the orders already passed in the matter, the date of birth as entered in the Service Register viz. 8.8.1904 may be adopted for purposes of Life Insurance also.

Subject: Appeal against the order of the Revenue Commissioner refusing to consider a father's declaration before a magistrate as a valid proof of age and consequent change in the date of birth as entered in the service register

Sir,

I beg to bring to your kind notice the following few facts with regard to the change of birth date of birth in my service register for the kind and favourable consideration of the benign Government of Mysore.

1) An endorsement no.L.B3.1173/29-30 dated 30th November 29 was issued to me from the Bangalore Deputy Commissioner's office communicating to me the Revenue Commissioner's order on my original petition in which it is stated that " There must have been proper reason for the original date to be entered in the service register which must be correct in the absence of satisfactory reason to the contrary." This was the order of the then Revenue Commissioner Mr.P.G.D'Souza. In this connection I submit that the original entry in the service register was not based on any documentary evidence but that of the S.S.L.C. register in which I had wrongly entered the date without consulting my parents. This same date faultily given continued in the university classes also and ultimately when I entered service in the university as a demonstrator the same date was entered in the service register too without any other proof. I wanted ~~the~~ to change the date immediately I entered service and there was a long correspondance between myself and the university when they wanted a declaration to affect the change. In my petition to the Revenue Commissioner dated 8/7/32 I had enclosed a letter from the Registrar of the university dated 15/9/27 wherein I am asked to produce the declaration before the Principal of the Central College; which shows that even as an employee of the university and as far back as Sept 27 I had started the question of the change of entry of my date of birth on a declaration. If the entry was based on any definite evidence then I would not have ventured to obtain a solemn sworn declaration before a magistrate. This latter is the only evidence I possess and yet in spite of such strong

reasons Mr.D'Souza the then Revenue Commissioner refused to agree to the change.

2) Again on a personal representation to Mr.D'Souza he asked me to apply again and that he would reconsider his orders. Consequently I applied to him and he called for any other additional evidence of my correct date of birth and I submitted to him a letter written to my father by a friend of his as to the probable date of my birth and this letter agreed with the correct date of birth but still Mr.D'Souza in the Bangalore D.C's Memo no.B.3,3314/29-30 dated 10th June 30 refused to permit me to alter the wrong date as he says he is not satisfied with the additional evidence produced. In this connection I submit that the age with documentary evidence was necessary when I appeared for the M.C.S., examination and also applied for the revenue probationership. I do not have a "jatka" as the Hindus usually have and hence I got my father's sworn declaration before a magistrate and submitted it for acceptance. It is a solemn declaration and I submit that it should have been accepted as a true evidence by Mr.D'Souza and instead of this he has refused to accept this valid evidence without quoting sufficient reasons for his refusal. Even the additional evidence produced was in vain.

3) I submitted an application to the present Revenue Commissioner who refused to reopen the question as the previous Revenue Commissioner had already decided it.

4) The delay in appealing against the orders is due to the formal permission sought for from the Revenue Commissioner when I was informed as per R.C'sno. C.2964-32 dated 24/2/33 that no such formal permission was necessary.

5) Finally I submit that the only evidence I have about my date of birth is my father's solemn declaration before a magistrate. The declaration is also supported by a letter of a friend. The entry in the service register which was opened in the university was not based on any evidence for if it was so based I would not have obtained a declaration and pressed for a change immediately I entered service. The change is only of a few months i.e, from 8/8/1904 to 10/4/1905 and yet Mr.D'souza has refused the change without adequate reasons. Hence I beg of the benign Government to kindly consider my case favourably.

6) All the references are enclosed in the original file which

may kindly be called for and perused.

I beg to remain,

sir,

your most obedient servant.
